**T**ymetal was founded on the belief that customer satisfaction and product quality are paramount to success. Over the years this philosophy has proven itself many times over, elevating Tymetal Corp. to be the #1 manufacturer of Security Gates & Gate Systems in the United States. We endeavor to consistently improve our product line, explore new concepts and be the leader in revolutionary products throughout the security industry.

Most significantly, we at Tymetal know our success is based on your success. Listening, designing, providing and servicing have never been taken lightly at our company. These are not only our roots, but also the embodiment of our entire business philosophy.

If you're new to Tymetal, Welcome Aboard! We're looking forward to working with you every step of the way on any project where we may be of service. If you're an existing customer of ours, we thank you for your support and will do our best to keep YOU number 1.
